## From Our Lord Jesus Christ & Our Blessed Mother

### To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower.

Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your yes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "Messages from the Heart of Our Mother" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone.

## **MESSAGE #2025 from the Blessed Mother August 28, 2000**

My daughter, The battle is on and wherever there is good, there is evil.

Stay strong, my children, and continue to make the Gospel known. Continue to speak the truth and rejoice when others persecute you. In the end, each person will see their soul and they will truly know if they lived their faith. God will truly bless those who lived their life for Christ. God will truly bless those who did not sit back in silence. God will bless those who spoke the truth in love and who truly lived their consecration.

Woe to those who know the truth, yet refuse to live their faith. Woe to those who are refusing to stand up for the truth. Woe to those who are refusing to listen, listen to God. Woe to those who want control instead of relying on God. Woe to those who refuse to believe that evil does exist. My heart weeps for those who are blind, blind to the truth. My heart weeps for those who are allowing pride to rule their life.

I am here today to encourage those who are faithful to me. I am here to remind you that, in the end My Immaculate Heart will triumph. I am here to remind you that your heart must remain strong in these present times. I ask that each of you remain patient and prayerful. I ask that you love all your brothers and sisters so that hate does not harbor in your heart. Through your example, conversion will happen. Through prayer and patience, there will be victory over evil.

Please, dear children, continue forth in love and courage. Continue forward and comfort my Son by being faithful to prayer and sacrifice. Abide in holiness, make reparation for sin, and let the power of my Son's mercy and love transform your heart. Keep your heart open and do not give up. Keep your heart open, for then the truth will be revealed to you. Don't close your heart when trials and persecution come your way. Stay strong and I promise you, you will be strengthened through God's love and Grace.

I assure you, God is with you, for He is your God and you are His children. God is love and His ways are perfect and true. Your soul is safe in Him, so please believe that God will not abandon you. God will not leave you, for He is true to His promises. Believe that God will truly bless those who love, obey and who faithfully serve Him.

Now, I ask that you pray for those who are trying to feed you lies. I ask that you pray for them so that you stay hopeful. I ask that you accept my heart as a place of refuge for your soul. Together, we will then climb and fight these battles together.

I am your Heavenly Mother and I love each one of you so very much. My Immaculate Heart is pouring out Graces and many blessings as I share this day with you. I am here because of God's love for you. So do not lose hope, instead give thanks to God for allowing this time to go forth and spread, spread the truth. Give thanks now and rejoice, for God will shepherd you, for He is your strength. Amen.

My child,

You have consoled Me with your great faith.

I want you to know that My mercy and love are being extended to each one of you who have been so faithful. I am with you always. I am your true shepherd and guardian of your souls.

Continue to bring comfort to Me by allowing My mercy to flow through you to others. Be confident, trust and love Me as I love you. Trust, love and obey Me. Rely on Me to guide you. Remain, remain faithful. Do not let anyone discourage you, just love and trust Me and your reward shall be great.

I am Your Merciful Lord. I am the vine, you are the branches. You are never alone. I am with you and My Mother is here. I love you and now bless you with My mercy, joy and peace.

## **MESSAGE #2238 from the Blessed Mother November 12, 2001**

My daughter, God is so pleased with those who are going forth and making the truth known. So many today are sleeping, and living, living in darkness. I say to all my children, go forth and live your faith. Go forth in love and rescue those who are on the wrong path. Reach out now, and use those gifts God has blessed you with. Don't be lazy children; use your hands and voice for Christ.

Be willing to be persecuted for living the Gospel. Be willing to make sacrifices for the salvation of souls. Become teachers and share your faith, so more will awake from their slumber.

Dear children, you have no idea how many are truly offending God. So many are adding wounds to Jesus' Most Precious Body. So many think when they leave this earth, they will go right to Heaven. The truth is, many will suffer because of pride, and disobedience to God's laws. Many will suffer because of the choices they made on this earth. I do not want to see my children suffer; I long to be with you one day in Heaven.

I will do all that I can to assist my children, but you in turn must respond to my heavenly requests. You must repent and turn to God. You must not hide your sins. You must examine your conscience, and make a thorough Confession. You must do penance for your sins, and be truly, truly sorry for giving in to temptation. You must be sincere and love God more than your earthly possessions. You must make time to be with God, and let go of the busyness in your life. Until you truly let go of your desires, it will be impossible to have a deeper relationship with Christ.

It is time now to truly love and serve Almighty God. It is time now to choose the path that will lead you to Heaven. So today I will ask you again to take my hand so that I can assist you on this earth. I ask that you relearn your faith, instead of allowing yourselves to become blind to the truth. I ask that you get down on your knees, and ask God to guide you to those Priests who are truly using their hands and voice for Christ. I am asking you to wake up now, so you are prepared when it is your time to leave this earth. Please accept my motherly assistance, for there is no longer time to be living a lukewarm faith.

All must live a life that is truly pleasing to God. All must repent and truly believe in God. So let us pray for all religious, so they go forth and assist me on this earth. Let us pray for unbelievers, so they truly come to know the truth. Let us pray that more will join hands and live, live their Catholic Faith. My daughter, I am here today to pray with you, so let us kneel now at the foot of the Cross. Many prayers are needed, so kneel with me and pray, pray for the salvation of souls. Amen.

## **MESSAGE #2274 from the Blessed Mother February 6, 2002**

My daughter, It is so important that my children join hands and work together. Without love in your hearts, the evil one will cause much more division. Without love in your hearts, my plan for peace will be destroyed.

Please, dear children, be kind and loving towards each other. Work together and share your joy of knowing Jesus. Work together and I promise you, the evil one will flee. Do not quarrel or allow hate to enter your hearts. Be on guard and live in unity so you grow together in harmony. Be faithful to daily Mass, Confession, and Holy Communion so you have the Grace needed to truly live these messages.

I truly care about each one of you, so please accept my motherly advice. Be more patient and loving towards each other. Do not gossip, or judge those around you; instead, work on those areas where you are weak. Forgive those who have hurt you so that hate and pride do not enter your hearts.

We must keep moving forward, so please obey God and live the Beatitudes. Pray more and support one another and offer your work to God as a prayer. Seek to do God's Will and make sacrifices for the salvation of souls. Be true humble servants and do everything with great fervor and love.

Now please, please pray more, so your hearts remain open and receptive to God's love and mercy. Pray more so you do not become entangled by the serpent's tail. Pray, pray for one another, and put on your armor of faith, and lead, lead the faithful forward. Be of strong faith and believe that Satan is strong, and is trying hard to lure you into false beliefs. Satan wants to destroy the world, so please do all that you can and live, live a life that is truly pleasing to God. In time all evil will be destroyed, so please go forth and truly live your faith. Amen.

## **MESSAGE #2481 from the Blessed Mother May 21, 2003**

My daughter, It is time for Catholics to relearn their Faith. It is time, for many do not know the truth. Many today have been misled and they are not living their Catholic Faith. Catholics must believe that Jesus is truly present in the Eucharist. They must believe with their whole heart so they truly know who they are receiving when they go to Communion.

Dear children, there are rules to follow and if you don't obey them, you cannot receive God's Grace. If you are living in mortal sin, you must repent and cleanse your soul. You must do penance for your sins and be truly, truly sorry. You must live the Gospel and obey God's laws. You must come to know the true meaning of the Sacraments in order to understand God's love for you. You must pray and study Scripture in order to grow and blossom for our Lord. You must believe in the Blessed Trinity and allow God to dwell in you. You must be true believers in order to live your Catholic Faith. You must be hungry, hungry children so that God can teach you and nourish your soul. God cannot teach you if you are not willing to learn. God cannot mold and purify you if you are choosing to live in sin. Without sacrifice on your part, nothing can be accomplished.

Please, dear children, do not allow the world to feed you lies. Listen to your Most Holy Pope and obey Church teaching. Obey God's laws and do not live lukewarm lives. Obey God now and relearn your Faith if you are making up your own rules to fit your lifestyle. There is no longer time, dear children, to be denying the truth. You must wake up, wake up now, for time is running out. The Gospel must be spread and this cannot happen if you are denying the truth.

This world is in danger and you must each do your part. You must live your Catholic Faith in order to receive God's Grace. How one will suffer if they are neglecting their soul. I need your assistance, so I am asking each of you to respond today. I am asking that you turn your lives around and obey, obey, obey now.

The warning will soon come and each person will see their soul. You will have but little time to change, so please, please, dear children, cleanse and nourish your soul. Please obey God and make the necessary changes in your life now. I am here to assist you, so please take my hand and open your hearts to Almighty God. Amen.

### **MESSAGE #2522 from the Blessed Mother September 3, 2003**

My daughter, Time is short for saving souls, so please continue to write and relay my words. Continue to do what God is asking of you so more repent and turn to God. This is the time to go forth and to make the Gospel known.

God has a job for each of you, so please do not delay. Use your hands and your voice and be true servants for our Lord. Be not silent, share your faith. Be not silent, witness in love. Witness to those who are living in darkness. Witness to those who are not obeying God's commandments. A true disciple must share their faith. They must not compromise with the world. They must be willing to be persecuted for truly living the Gospel. They must not be silent. They must follow Church teaching.

Catholics must listen and respond to what their Most Holy Pope is teaching them. This Pope has been truly chosen for these times and he is truly being guided by God. Those who refuse to listen to him are not living their Catholic faith. Those Catholics who are not taking heed to what their Most Holy Pope is telling them, are not trusting in God. Those who are refusing to obey true teaching are not living their Catholic faith.

There are rules to follow, so please, please obey. Obedience is needed in order for there to be unity, so obey God's laws and obey Church teaching. Obey each commandment and live, live your Catholic faith. Live the Gospel to your fullest and be true soldiers for Christ.

Now, please go forth and live, live each day for Jesus Christ. Amen.

### **MESSAGE #2523 from the Blessed Mother September 5, 2003**

My daughter, Please tell my children not to ignore the signs of these times. Tell them to open their eyes and to pray for those who are choosing darkness. Tell my children to open their hearts so that God can enter more deeply.

So many today have become blind to the truth. Many are truly offending God because they do not want to change their lifestyle. Many do not want to live a holy life because that will mean change, change within themselves. Without a pure heart and true love for God, one will not be able to endure what is coming their way. One will not be strong in their faith if they continue to disobey God. Many will give in to the evil one, without a strong faith.

Evil loves darkness, so please, dear children, turn away from sin. Turn to God and pray with love and faith in your hearts. Pray with your family and offer your prayers to console and appease God's wrath. Pray, pray together, for much prayer is needed all around this world. Prayer is your strength and protection, so please join hands and pray. Join hands and trust, trust that God truly hears your prayers. Witness your faith by truly praying the Rosary. Witness in love and be a light to others.

Live in harmony and be loving, humble children. Amend your lives and make reparation for all your sins. Cleanse your souls often so you have the Grace needed to live holy lives. Receive Jesus in the proper way and consecrate your lives to Jesus' Most Sacred Heart. Jesus will then truly dwell in you and your home. Jesus will protect you and keep you close, close to His heart. Yes, Jesus will truly bless those who pray and live, live their consecration.

Now, is the time to live these messages, so please respond today. Repent and amend your ways so that you truly come to know God's love and mercy. The hour will arrive. Will you be ready? Look into your souls and give your entire life to God. Be submissive and obey, obey, obey God. Amen.

## **MESSAGE #2531 from the Blessed Mother September 23, 2003**

My daughter, No one can stop God, so please continue to use your hands and voice for Christ. Continue to do what God and I are asking of you.

Time is short for saving souls, so be willing, dear children, to be persecuted for living your faith. Be willing to do what is right and pray, pray for unbelievers. Pray for those who are furthest away from God and rescue those who are still sleeping. You are each called to pray, so pray, pray daily from your hearts. Pray and live your faith and live, live a saintly life.

In time, all will see their soul and each person will have to answer to God. Time is shorter than you realize, so please, dear children, keep your focus on God. Keep your focus on God, for then you will have peace through all trials and storms.

My daughter, through your suffering and obedience to God, souls are being saved, so be thankful for each new cross. Be thankful and give all honor and glory to God. Be thankful for this time and believe that God is truly using you so more see light instead of darkness.

Those who are willing now to suffer for Jesus will be protected when God shakes this earth. They will be strong warriors for Christ and they will not give in to the Antichrist. They will know which way to turn and they will not run in the wrong direction. They will have peace when lightening strikes and they will be led by the heavenly Angels.

So, today I ask that you do not despair when others mock you. I ask that you love all people and trust, trust in Jesus' mercy. God will always be at your side and He will give you the strength needed to continue on in your journey.

Now, please keep your focus on Jesus and remain faithful to His truth. Remain faithful and do what God is commanding you. Live each day for Jesus and live, live dear children, the Fatima message. Obey each commandment and go forth now and live the Beatitudes. Go forth as true believers and remember that when you turn to God, His love dwells in you. Amen.

## **MESSAGE #2550 from the Blessed Mother November 6, 2003**

My daughter, Doors will be opened one by one, so please trust and be obedient to God. God knows the most perfect timing, so please keep your heart open and do what God is asking of you. If all would do their part, peace would reign in this world. Laziness and lack of faith is why so many are choosing darkness.

Strength comes from knowing Jesus, so please, please dear children, turn to my Son each new day. Turn to my Son and ask for the strength needed to live a pure and holy life. Turn to my Son and you shall be guided on this earth. The problem today is many are turning to the world instead of relying on my Son. Many young people are turning to drugs because they do not have peace in their hearts.

Peace comes from knowing my Son, so please make this known. Teach others the truth so they do not fall into Satan's trap. Teach others how to carry their cross by your example. This world needs to see Christ's love shining through you. This world needs to be taught and you are each called to be teachers.

God's love is truly there for those who turn to Him. Those who turn to God will receive the graces needed to do His Will. Grace will come if you take refuge in Jesus' Most Sacred Heart. Grace will come if you obey and live the ten commandments. Grace is God's gift to you, so please respond and live your faith.

Faith comes from hearing, so listen to God and believe, believe in the Gospel. Believe and repent and spread your faith wherever you go. Go out and proclaim God's Word and live, live your Catholic Faith. Detach yourselves from the world and make time, dear children, for God. Through prayer, you will come to know God. You will come to know His love that He has for each of you.

Now, please lift your hearts and mind to God and listen as He speaks to you. Listen and accept His words and then go forth and live, live His love. Amen.

## **MESSAGE #2565 from the Blessed Mother December 16, 2003**

My daughter, Have hope in Jesus and trust, trust in His love. Trust in God's plans so you do not lose hope or confidence in our Lord. In time, my Immaculate Heart will triumph and there will be peace, peace on this earth. In time, all will see their soul and many will suffer if they do not use this time to prepare their soul.

The day will come, so please, dear children, stay strong for Jesus. Be obedient to God and live your consecration. Be obedient to God and pray for those who are trying to make changes in the Church. Pray each new day for your Priests, for many are giving in to worldly ways. Many are not praying as they should and are not listening to my beloved Pope. Many are leading others astray who are weak in their faith.

I am here to assist my Priests, but many are refusing my assistance. I cannot help those Priests who are refusing to live their vocation. I cannot assist those Priests who are not shepherding their flock. I love all my Priests and I truly pray for those who are stepping ahead of God. My faithful remnant must also pray, for many are becoming entangled by the serpent's tail.

Many today are so in need of prayer, so please pray more and continue to gather in those groups that I have formed. Continue to live your faith and be an example to those who are not living the Gospel. Be obedient to God and be humble, loving children. Be true followers for Christ and live, live your Catholic Faith. Listen attentively to what your Most Holy Pope is instructing you to do. Listen and respond and do not doubt, for God is truly guiding this Most Holy Pope. This Pope has been chosen and the wise will truly listen to him.

So, today I ask that you be wise and surrender yourself to God's Holy Will. I ask that you be loyal to Jesus and serve Him with a generous heart. I ask for a response so you grow in holiness. I ask that you join hands and pray, pray for this world. Through prayer, sacrifice and penance, God will bless you abundantly. Through obedience to God, you will become spiritually strong. You will receive God's grace if you remain loyal to Him, so persevere and remain faithful to Almighty God.

Persevere and pray, for the time is soon at hand. Be wise and do not join hands with those who are disobeying God's laws. Be wise and prepare your soul and remain faithful to true teaching. Be light to this world and believe that God and I are with you. Amen.

## **MESSAGE #2609 from the Blessed Mother April 5, 2004**

My daughter, Pray and persevere so you stay strong, strong for our Lord. Follow my Son and carry your cross with joy.

All my children must do the same, they must open their hearts and seek His ways. They must be true followers of Christ and live, live a holy life. They must trust in Him always and live in His faith daily. All must pray and accept God's love and mercy if they truly want to be guided on this earth. All must be faithful servants and live and speak the truth.

Begin today by truly imitating Christ. Be loving, forgiving and compassionate. Join hands with those around you and live in harmony and peace. Be good and loving children and let go of any hurt or negative feelings. Let go and give it to God so that you can move forward. Be good and pure so that you can live in the fullness of God. Unite together in the love of my Son, Jesus. Discipline yourselves now so that you may grow in truth and blossom for our Lord. His truth is the only way, so please be true disciples for our Lord.

The dawn is near, so please walk in faith and believe that God is truly, truly with you. Walk in faith and believe in God's love that He has for each of you. Amen.

## **MESSAGE #2617 from the Blessed Mother April 23, 2004**

My daughter, Listen, listen to your heavenly mother, for I am truly here to assist you. I am here for all my children and they too must live the Gospel. They must obey God and not give in to temptation.

The road ahead will not be difficult if you each turn to God and live, live these heavenly messages. Much peace will be given to those who listen and who live their faith. The enemy will flee each time you pray and turn to God. The enemy will lose power each time you gather and pray, pray from your hearts. The enemy can do no harm if you stay close to Jesus' Most Sacred Heart.

Today, I must remind my children that evil exists. I must remind my children that if you allow your lives to become too busy, you will fall further away from God. If you allow the world to pull you in so many directions, you will not hear God. I say to my children, slow down so you have more time to be with God. Let go of your worldly activities, for this will not give you happiness on this earth. Only God can give you true happiness. Do not allow Satan to distract you from this joy and peace.

Turn to Jesus each new day and stay close, close to His Most Sacred Heart. Stay close to Jesus and you will learn to resist temptation. God will be your strength and you will truly, truly have peace. Live your consecration and you will be protected from daily temptation. You will live in holiness if you truly obey and honor God. This is a time of great tribulation so you must stay close to Jesus.

Many more changes will occur and many, many will be persecuted for living their faith. Much division will take place as many more Catholics are not living their faith. Many today are giving in to the evil one. Many are making up their own rules which is causing much destruction. Many Catholic families no longer pray together. Parents are not open to life because of selfishness and pride. This is why abortion is on the rise. This is why terrorists roam this earth. This is why evil has entered this world. This is why you are seeing so many earthly changes around this world.

God cannot assist those who are living in mortal sin. God cannot assist those who are choosing hell. Wake up, dear children, and repent now if you are not living your Catholic Faith. Repent and amend your ways or you will see even greater destruction. Turn to God and ask, ask for forgiveness. Turn to God and allow Him to be in control of your life. Let go of your desires and make more time to be with Jesus. Let go now so that change can occur in your lives.

Get down on your knees, for there is no longer time to be sleeping. See the signs that are happening around this world. Many countries are at war with each other and China is getting ready to strike. You have no idea what is taking place behind closed doors. Sin is truly destroying this world, so please listen, listen to my heavenly pleas and respond, respond today. Do your part to bring peace and unity to this world. Do your part; pray more and live, live your Catholic Faith.

This message is for all my children, so please light the way and remove the darkness that is truly covering this world. Amen.

## **MESSAGE #2680 from the Blessed Mother September 30, 2004**

My daughter, I will continue to touch the hearts of those who take refuge in My Immaculate Heart. I will truly intercede for my children, but their prayers must come from their hearts. They must pray and adore my Son and trust, trust in His love and mercy.

Those children who live these messages will be filled with the Holy Spirit. They will come to know the Blessed Trinity and love and peace will flow, flow from their hearts. Their lips will speak truth because these messages will become imbedded in their hearts. In the end, they will remain faithful and they will not give in to the Antichrist.

God will truly guide those who remain faithful and open to His holy will. God will not abandon those children who say 'no' to the enemy. The Holy Angels will surround you with Heaven's light and they will guide you to higher ground. Blessed will be those who say 'no' to the world and who remain faithful to Christ. Blessed will be those who obey God and remain open to life.

The choice, dear children, is yours. Will you give in to the enemy or will you remain faithful to my Son, Jesus Christ? Amen.

## **MESSAGE #2741 from the Blessed Mother February 25, 2005**

My daughter, Time is moving quickly, so please continue to do what God and I are asking of you. These messages are important, so please use your hands and voice for Christ.

Today, I am asking my children to be faithful to Jesus and to the Gospel. Be faithful to your Most Holy Pope and to the Church. Be faith-filled children and receive the Sacraments often. In doing what I am asking of you, you will be faithful to prayer. In order to grow in holiness, you must be faithful servants to Our Lord. You must pick up your cross each new day and trust, trust in Our Lord. You must not take the path that is easiest for you. You must climb Calvary. You must follow Jesus and imitate His ways. Please do not deny Jesus, be willing to be persecuted for living your faith.

The world is becoming darker, so please, please dear children, do your part for the salvation of souls. Give up all that is displeasing to God and live, live your consecration. Be light wherever there is darkness so more come to know Our Dear Lord, Jesus. Hatred, violence and sin has become widespread because of man's refusal to return to God. Many souls go to hell because they are choosing to live in mortal sin. So many are disobeying God's Commandments. People no longer love one another, they no longer respect life. This is what is truly destroying the world. This is why the earth is trembling more. Sin continues to crucify my Son. Woe to those who are not prepared, for God's Justice will prevail.

Now, please be my messengers and reach out, reach out to this darkened world. Reach out now, for God will continue to purify this world with His Justice and unending love. Amen.

## **MESSAGE #2746 from the Blessed Mother March 10, 2005**

My daughter, Purity and humility, obedience, prayer and penance is how my children will be led back to my Son. All must do their part if they truly want to grow in holiness.

Please, dear children, listen, listen to my heavenly words. Be faithful to Jesus and to His Gospel. Be faithful to your Most Holy Pope and to the Church united with Him. Be faithful to prayer and to the Sacraments so you can be faith-filled children.

Many today are not being faithful to the promises of their Baptism. Many are on the wrong path because they are allowing Satan to guide them. So many today are picking and choosing which Commandments to obey. The world is falling deeper, deeper into the pit because so many deny that God exists. The refusal to return to God is why there is so much hatred, violence and sin.

Do you not understand now why there is not peace in this world? So many are unwilling to respond to my request for prayer. Many religious give excuses why they are not praying with their flock. Due to lack of prayer, so many are being led astray. Due to lack of prayer, mortal sin has become widespread. Abortion and lack of respect for life is truly, truly destroying the world. Many no longer go to Confession and they live and die in mortal sin. Many souls go to hell because of their refusal to repent and believe in God.

Oh, how I weep for all the lost souls. I weep because many are ignoring these heavenly messages. I weep because these messages are God's gift to you. Those who respond and accept my motherly assistance will be led closer, closer to Christ. Those who refuse to come to know the truth will suffer, suffer tremendously.

Please, dear children, wake up, wake up now. Take refuge in My Immaculate Heart. Be faithful to the Gospel and live, live the Beatitudes. Today, I welcome each of you into my heart because I am your Heavenly Mother. Please take my hand and allow me to assist you in this time of purification. Amen.

## **MESSAGE #2767 from the Blessed Mother April 20, 2005**

My daughter, In this time of preparation, my children must stay close to their Pope and obey Church teaching. This Pope will lead the faithful forward, but all must do their part for the salvation of souls.

I am here to assist my children in this time of purification. If you truly want my assistance, then you must not compromise with the world. You must be strong in your faith and live, live the Gospel. You must be obedient to the Pope and the Bishops united with him. You must obey the Will of God and be humble, faith-filled children. Your prayers, faithfulness and obedience is what will bring light to the world. Your fidelity to God is how darkness will be removed.

God's mercy is infinite and He promises to protect those who trust in Him. God's plans are perfect and He will truly bless those who trust and have hope in Him. So please be merciful and pick up your cross each new day. Live your Catholic Faith and ask God to purify you so you grow in holiness. Receive the Sacraments often so you become strong warriors for Jesus. Receive the Sacraments, for this is all part of embracing God's love.

Now, go forth with hope in your hearts, for there is joy, happiness and peace in eternal life. Amen.
